Benefits

1. An excellent solution for medium loads up to 500 kg in the high rack
2. Ideal for the automotive industry
3. The high-quality design makes the pallet extremely strong and guarantees a long lifetime
4. Excellent performance for applications with a high circulation rate
5. Designed with extra high safety rim
6. The rim is slightly set outward so that boxes can be placed within the rim and be transported safely
7. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Specific colors on request
2. Individual marking and labeling
